

Logistics Employee

Do you already have logistics experience and are you ready to start a new adventure within an enthusiastic team? Then this is the perfect job for you!

Solarge is committed to sustainability; sustainable products, a sustainable future and sustainable relationships. We put our employees first, that means that themes like wellbeing, self development and satisfaction are very important!

What will you do?

Working as a logistics employee at Solarge gives you lots of opportunities and a job with much variation. Things you'll be doing on a daily basis are for example;

- Making sure the production lines are fully stocked;
- Inventory of the warehouse;
- Making sure all products are in their right place;
- Inbound and outbound

Important is that you have experience driving Heftruck and reachtruck, if you have experience but no certificate that's not a problem. We will look for options to get your certificates together with Solarge. We will start in a dayshift but are planning on expanding in the upcoming year to a 2 and 3 shift routine. It's important you're willing to work in shifts in order to start at Solarge.

About Solarge

At Solarge, we make the energy transition sustainable. We do this by bringing circular solar panels to the market in a fast and scalable way. We go beyond where conventional solar panels go. We innovate, we are passionate about a livable planet and we are honest about the challenges ahead. We are an innovative and ambitious scale up with a team of 25 people and ambitious to grow to 100 people within a year of time. In may 2023 we have opened our production facility and we are currently preparing for the production lines to operate.
